Cameron

FEATURES

- The Cameron line has a fully upholstered back and seat with sweeping bentwood arms.
- Upholstery options are endless with our range of standard textiles, as well as the opportunity for Customer's Own Materials (COM).
- The interior frame is constructed with a combination of hardwood, and engineered wood, kiln dried to ensure integrity of the frame, with all critical joints double doweled, stapled, glued and/or screwed together. This engineered design allows for light weight frame while maintaining all of its structural integrity.
- The support and comfort of the back and seat are achieved with durable, flexible nylon seat webbing.
- The Cameron is padded with various densities of CFC free polyurethane foam for comfort and for the benefit of its users.
- All upholstery is double stitched for added strength and a more refined aesthetic.
- The laminated bentwood arms are made of Maple, with the rear legs made of solid Maple to match.
- The bottoms are finished with a Black polyester dust cover.
- Arms and legs come standard in a natural finish, highlighting the natural beauty of the grain.

OPTIONS

- Dual-upholstery options allow for both back and seat to be in two unique textiles.
- Wood Stain Finishes are available in four standard colors: Clear Maple, Walnut, Medium Walnut, and Cherry.
- Always willing to meet your unique needs, the Cameron, is available in a variety of fire retardant, ultra cell, and Eco-friendly foam alternatives.
