

ALLENDALE RECREATION CENTRE

Barrie, Ontario, Canada

Fixed Seating

Project

Allendale Recreation Center - Arena

Products

Charley

Total seats

486

Year of completion

2013

Renovations propose more challenges than new builds. Using already existing infrastructure, Borgo had to provide a seating solution that would be able to be both riser and floor mounted. Being a public arena, turn around time had to be done quickly and on a modest budget.
