

Project

Ricarda's Toronto - Mediterranean fare

Products

Custom Dining Chairs, Bar Stools, Lounge Seating and Banquets.

Year of completion

2016

Ricarda's is a Mediterranean-style restaurant coupled with laughter and hearty conversation—there is no better combination. They serve breakfast, lunch, dinner and all the important eating times in between. Featuring the best ingredients, great taste and simple preparation, and were looking for furniture to support this ideology. All furniture pieces were custom made by Borgo to help elevate this fine dining experience.
