

**Jolly**  
design Giovanni Baccolini

## PERFECTLY CRAFTED

Named “Jolly” after the way its timeless design can put a smile on your face. The multifunctional line features three seating options: the classic armless design; the residential style upholstered arms; and sleek contract chrome arms.

Match the seats to the base of your choice; four legs for any public spaces, swivel base for collaborative places, disc base for waiting areas, & the height adjustable stool for bar height tables.

### GREEN DESIGN

The Jolly not only offers timeless design and superior comfort but the padding used is safe for the environment, omitting no off gases and is manufactured based on a Lean Manufacturing Process.

Jolly

## FEATURES

- Upholstery seams are doubled stitched for added strength, quality and a more refined aesthetic
- The interior frame is made of tubular steel.
- Four Leg Base models are made of 0.8"/20 mm x 10-gauge tubular chrome-plated steel, with self-leveling glides (Models #1050, #1053 & #1056).
- Disc Base models swivel with a fixed height, weighted base in polished finish with a diameter of 19.75"/500 mm (Models #1051, #1054 & #1057).
- Swivel Base with Casters is height adjustable with 360 degrees swivel. Dual wheel casters for soft floors are standard. Gas cylinder and base are in polished finish (Models #1052, #1055 & #1058).
- Bar Stool models swivel and are height adjustable, disc base and fixed footrest in polished finish (Models #1059, #1060 & #1061).
- The shell is made of molded polyurethane foam, cold formed without the use of CFC; 4.1 lbs./ft<sup>3</sup>. Polyurethane foam is 4.1 lbs. average density, meets CAL 117/2013, without any environmental additives.
