

Townsend Elite

Townsend Elite

FEATURES

- The Townsend Elite is a contemporary soft seating line that blurs the lines between commercial and residential furniture that is perfect for lounge and common areas
- The Townsend Elite's design features a brushed metal base that elegantly outlines the frame
- Bottoms are finished with a Black polyester dust cover
- Removable seat cushions are slip covered and closed with a zipper, padded with 5" (130 mm) thick polyurethane foam
- Seat, back and arms are fully upholstered and defined by a welt, with tufting on the back of the cushions
- Interior frame is constructed with a combination of hardwood and engineered wood using mortise and tenon joints. Hardwood is kiln dried to ensure integrity of the frame, with all critical joints reinforced with corner blocks. This engineered design allows for a lightweight frame
- For support and comfort, sinuous loop no-sag® seat springs are used which span the length of the seat and back every few inches
- Reinforced armrest with corner blocks in arms for no sag armrests
- The Townsend Elite is padded with various thickness levels of CFC free high-density, high-resiliency polyurethane foam

OPTIONS

- Upholstery options are endless with our range of standard textiles, as well as the opportunity for Customer's Own Material (COM)
- Dual-upholstery options allow for both back and seat to be in two unique textiles
- Custom Foam alternatives are available
- Dual Wheel Casters for easy mobility
- Integrated Power and Power & USB
- Swivel tablets in both polymer and laminate, left and right handed & fixed or removable
