

Point

FEATURES

- The Point sits on a cantilever, striking curved tubular steel frame standard in a contemporary silver gray finish.
- Upholstery options are endless with our range of standard textiles, as well as the opportunity for Customer's Own Materials (COM).
- The simple curved back and seat are fully upholstered, with double stitched seams for aesthetic elegance and long lasting strength.
- Bentwood arm caps are made of Maple ply, and stained in a natural finish highlight the natural beauty of the grain.
- The bottoms are all finished with a black polyester dust cover.

OPTIONS

- Showcase the graceful curve of the outside back with bentwood Maple ply back in a natural finish.
- Be creative and highlight the outside back by upholstering it in a alternative fabric.
- A tempered clear glass, or laminate side table can be mounted to the Point.
- For more particle spaces had a height adjustable swivel tablet.

Point

STYLE & FUNCTION

The modern design of wooden or glass tables can be fitted as a corner or end piece.

ROBUST & WEIGHTLESS

The cantilever design makes the Point seem as though it is suspended in mid air, making this robust design seem weightless. A contemporary take on a traditional application, characterized by the striking lines of its silhouette is right on point for any waiting area.
