---	--------

\*Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results about 100,000 double rubs have not been shown to be an indicator of increased lifespan.

The Greenleaf logo is a trademark of Geo. Sheard Fabrics and designates fabrics containing post-consumer recycled polyester made from recycled plastic bottles which are diverted from landfills. The recycling of polyester reduces the environmental footprint left from processing petroleum products into virgin polyester. The ensuing reduction in the energy required for the manufacturing process results in lower emissions levels and less waste.

Dyelots may vary slightly from samples shown.
